To

His Highness the Maharaja of Mysore,

Sir,

Sub:- "The Third Annual Report of the Mysore Compost Scheme"

297456

With reference to your letter No A F.2822/Agri 285-45-6 dated 14th Novr.46 on the above subject I have the honour to state that the production of compost in the various towns has been taken up by the Municipalities, under the technical assistance and guidance of the staff employed on the scheme. The immediate supervision of this work is now entrusted to the local trained Sanitary Inspector or Assistant Sanitary Inspector, as the case may be, who is responsible for keeping control over the supply of town refuse etc needed in the work and also the labour engaged at the compost depot. This work is ~~superimposed~~ super-imposed on the other normal duties of the Sanitary Inspectors and as such it involves additional responsibilities and work on these officials. These officials are not being given any extra remuneration for attending to this work. It appears necessary that some encouragement should be given to these men by way of an allowance, for paying the requisite attention to the efficient and effective supervision of Compost work, wherever it is proceeding and to maintain the production of compost.

In this connection I wish to state that the Municipalities, now working the scheme, have been realising fair amounts, as additional income, by the sale of the compost, thus produced by them.

Since the Sanitary Inspectors or Assistant Sanitary Inspectors have to attend to this work which constituted additional work for them, it is desirable that they be paid some allowance for this extra work.

Under the circumstances I request that Government may be pleased to order that all the Municipalities, taking up compost work, might pay an allowance of Rs 15/- (in case of Town Municipalities) and Rs 10/- (in case of Minor Municipalities) to the Sanitary Inspectors, attending to compost work.

Very early orders may kindly be issued in the matter.

Information on the rest of the items dealt in the reference

14th November 1946 (noted above) will be furnished early.

Letter No A F 2882/Agr 297-45-6 dated 14-11-46 from the Secretary to Government, General Department, Bangalore, to the Director of Agriculture in Mysore, Bangalore

Subject - Third Annual Report on the working of the Scheme for Composting Town Refuse into manure

With reference to the correspondence ending with this office memo No A F 2384 dated the 22nd October 1946 on the above subject I am directed to convey the following observations of Government on the report:-

The report is very interesting and all necessary facilities may be afforded to make this scheme a success in the State

Page 8 of the report, last para under the heading (8) Compost sales and distribution -- The Director may examine the possibilities of transporting manure in the departmental lorries available at District Head-quarters free in the initial states and charging only the cost of petrol and oil after some time in order to popularise this manure in the Malnad parts where adequate manuring to crops is very necessary

Page 12 of the report para 2 clause 2 and para 3 : The Bio-Chemist may be asked to send up specific proposals through you for the consideration of Government

In the printed report of the I C A R , the expression 'Bangalore process of composting town ~~xxxxx~~ waste" is used Why this is called Bangalore process may be intimated

I am to invite your attention to a recommendation said to have been made at a conference of the Directors of Agriculture held at Delhi on the 5th March 1945 regarding facilities to be created for transporting manure (vide para 5 of the printed repo

In para 6 of the printed report mention is made of a news film entitled "Need of the Moment' If this film is available for sale, I am to suggest that you may purchase it for showing it in rural areas A new projector which has been fitted up in van has been recently purchased by the S C R D , for propaganda

Sir,

Subject: Grant of allowance to the Sanitary Inspector as have been employed on compost pits in Municipalities

Adverting to your letter No. L 102-10 dated 3-7-47 and subsequent reminders dated 3-7-1947 on the above subject I have the honour to state that out of the 17 Municipalities addressed, 5 Municipalities have replied since, viz., Saragur, Gundlupet, Nanjangud, T. Narasipur and Yelandur. In Saragur and Yelandur, the scheme has not been introduced and so, no question of payment of allowance arises. Nanjangud and T. Narasipur Municipalities have resolved to grant Rs. 15/- and 10 respectively to their Sanitary Inspectors for supervising the compost work. Gundlupet Municipality states that the scheme is found not profitable and the council have therefore resolved to defer consideration of the subject till sufficient interest is evinced by the subordinate concerned and the scheme is made lucrative. The other 12 municipalities viz., 1, Chamarajanagar, 2 Krishnarajanagar, 3, Hunsur, 4 Saligram, 5 Piriyapatna, 6 Bannur 7 Malvalli, 8 Nagar, 9 Arkalgud, 10 Yelandur, 11 Ramanathapura and 12 Periyapatna have been reminded again this day.

2 Further, the two Municipalities that have responded allowances have not furnished details of (1) quantity of compost, (2) quantity sold (3) amount realised (4) establishment maintained and (5) whether the scheme is working at a profit or not.

(5) weather the scheme is working at a profit or otherwise and if so, (a) how much on 1st June, as required They have been asked to furnish these particulars also at once.

BANGALORE

Sir,

With reference to Letter No 102-10 dated 3-7-47 regarding grant of allowances of Rs 15/- to Sanitary Inspectors of Municipalities who are supervising the work of preparation of compost manure I have the honour to state that Shimoga Town Municipal Council has entrusted the work of supervision to two Sanitary Inspectors of the establishment of the Municipality, and have resolved that allowance of Rs 10/- each would be sufficient and the expenditure during this year will be met out of the closing balance of the Municipality as no provision is made for this purpose in the sanctioned budget

I request for sanction of personal allowance of Rs 10/- each to the two Sanitary Inspectors who are entrusted with the supervision work

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner
